The Institute for Modeling in Neuroscience and Cognition (NeuroMod)

RESEARCH PROJECT

(Format: **max. 5 pages** in total)

1. PROJECT SUMMARY (1/2 page)
Primary discipline:
Secondary Discipline:
***Primary Doctoral School**:*
Name of the main Supervisor & Doctoral School:
Name of the Candidate (student) & Doctoral School:
***Application to the Call** (check one box):* Life / NeuroMod ☐ Life / Academy 4 ☐ Both ☐
Scientific Presentation of the project:

2. PUBLIC SUMMARY (1/2 page)

3. DESCRIPTION OF THE PROJECT
Scientific aim:
Context:
Methods:
Interdisciplinary Impact:
Originality:

Feasibility (Workplan):

4. RELEVANCE OF THE INTERDISCIPLINARY CONSORTIUM

Positioning of the project with respect to the EUR Life & NeuroMod or EUR Life and Academy 4:
